Description

Welcome Home! This house will make you feel right at home; with it's warm colors, and convenient floor plan. The main level of this home has been completely remodeled from custom cabinetry, all the way down to the wiring! The large master suite boasts a large walk-in closet and shares a massive bathroom with the main level. Upstairs you'll find two more bedrooms with built-in dressers. One bedroom has been updated while the other is a blank canvas for your own design. Each upstairs bedroom features hardwood floors that can be refinished or covered with your favorite soft carpet. The 1/2 bath between the 2 bedrooms has been updated as well. And that backyard.... with so much yard, you have plenty of room to expand the house or add a garage in the future if need be. Many neighbors have already done so and the neighborhood looks amazing! Call today!
